

## AUGUST ANTICS

Several of us spent 6 hours, mostly in the rain, erecting three marquees, all of which were donated for the event. On the day we were hoping that the rain would ease so that we could collect the necessary chairs & tables, and then the sun came out about half an hour before people started to arrive.

All of the food was donated by various companies and individuals, as were the drinks on the honesty bar.

Three of our members approached stands at the Three Counties Show and all but two donated items for the raffle/tombola, four other members also gathered prizes and several more were donated by local companies and individuals.

Mrs. Alma Baker ran a Bingo evening at Burley Gate in June and this added £130.00 to our fund.

Monetary donations were received from a few members as well as clubs and individuals not connected with WGDS.

Those of you who attended the evening – it was nice to see you taking part, we hope you enjoyed the food and had fun with your dogs in the various scurries. The raffle, tombola and quiz were also very well supported.

Thank you to all of you and especially those people who helped set up and take down – didn't realise that marquees could be so complicated and to all of you who helped on the evening. This event could not happen without your support.

It was a great feeling being able to hand over a cheque for £2030.50 to Acorns Children's Worcester Hospice in memory of Nick. The sobering thought is that this probably covers a half days running costs!!!!

Steve, Penny and Chris Prosser, together with Steve and I thank you again for all your support for the event.

Toni Smith

**acorns**

Care for the child,  
support for the family

## **Certificate of Thanks**

Presented to:

**The Worcestershire Gun Dog Society**

**A donation of £2,030.50 has kindly  
been made  
in memory of Nick Prosser to  
Acorns Children's Hospice**
